Community of Web and App Development

By Yash Pandey and the community

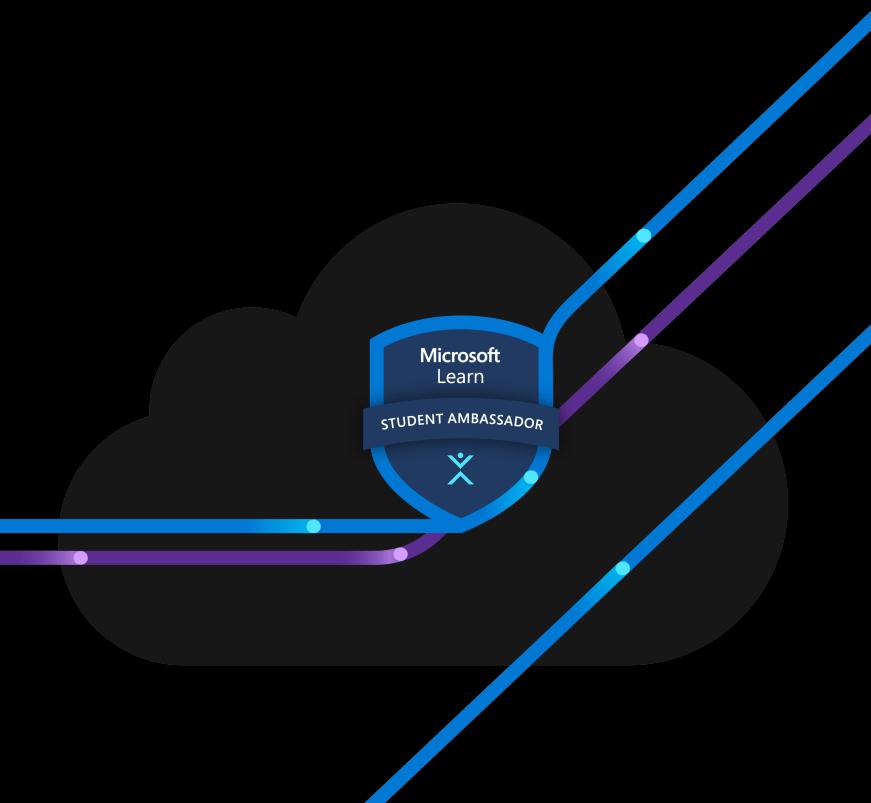

What are we discussing anyway?

- What is the community all about?
- Connecting with the community
- Our projects
- Prospects

What is the community all about?

Search

How do these apps work?

How to make my own app?

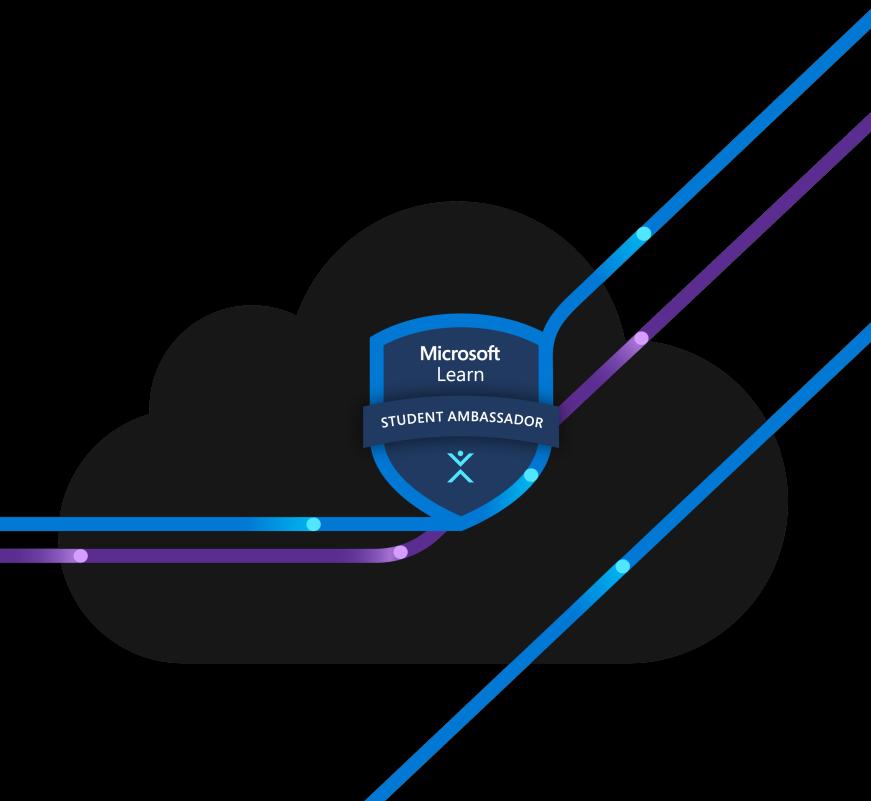

How does the web work?

Are these skills valuable?

Want to explore? You're at the right place!

Connecting with the community

Pankaj Waghela

Community Head

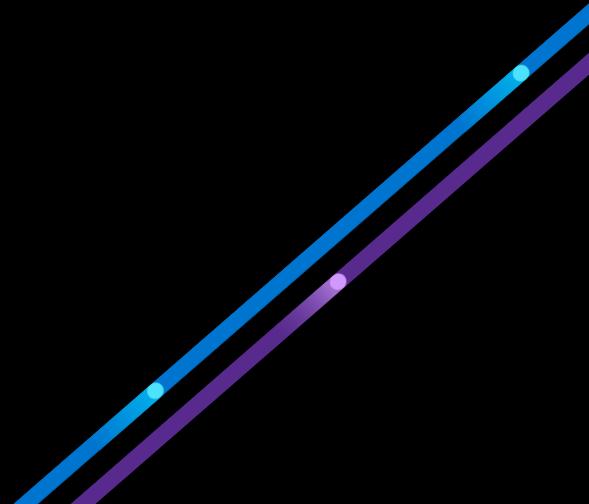

Ankit Raj

Community Co-ordinators

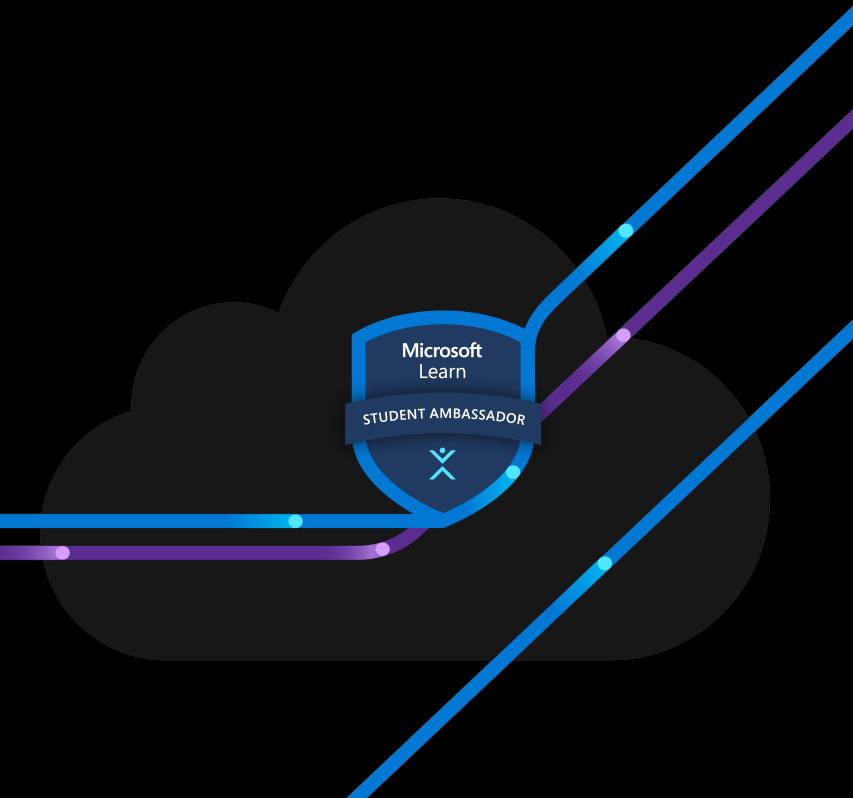

Prithwiraj Samantha

A community meeting would need **84** cups of coffee

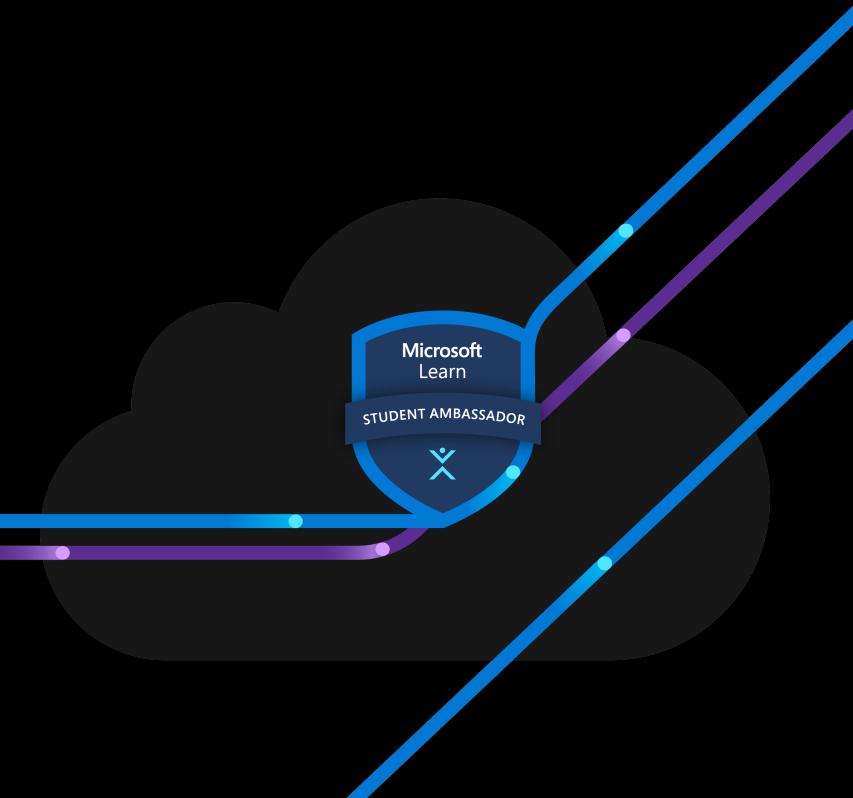

Our projects

- hG
 - The official web app of **House of Geeks**
 - A dynamic website to inform you about exciting events coming up!
- VisualRithms
 - A webapp to visualize various algorithms
 - Hacktober Fest '20
- TouchBook
 - An Android Contact App for Alumni of IIIT Ranchi
 - Hacktober Fest '20

Future Prospects

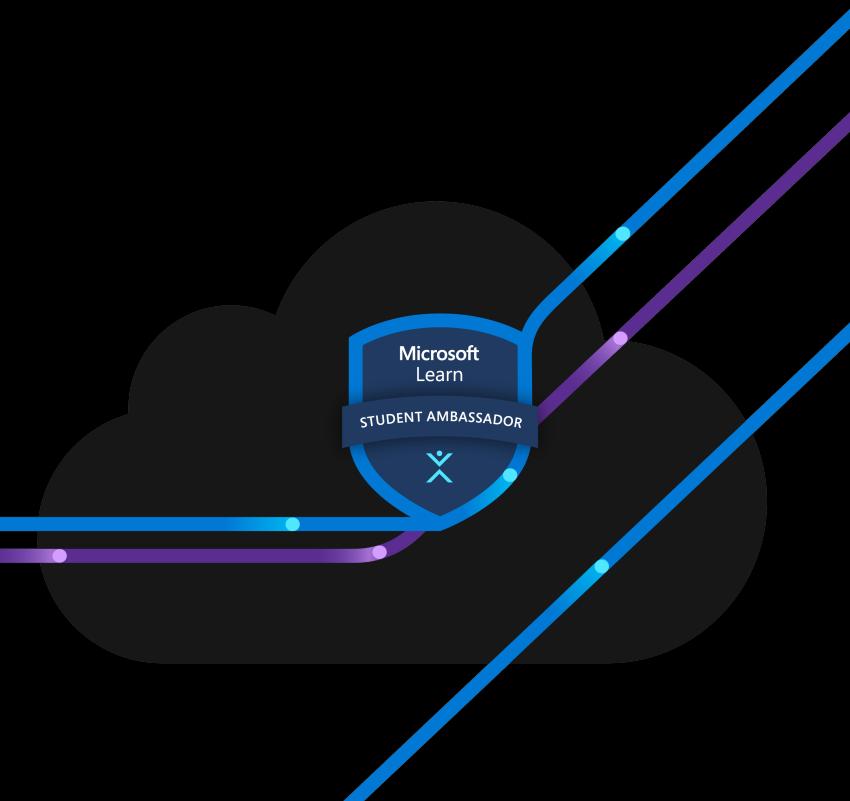

- **hG v2.0**
 - New features to be added.
 - Identification and Rectification of bugs
- **Hack-o-vid 3.0**
 - Competition exclusive to 2020 batch
 - Hands on web-dev competition

Thank You!

One more thing ...

Presenting to you

Thank you! Happy new year!
